

P3/4 Intended Learning Week Beginning 4/06/18

Religious Education

Primary 3

We will learn about the story of the Good Samaritan and begin to understand that the word neighbour can mean more than the person next door.

Primary 4

We will learn about Mary Magdalene and the community and how Jesus' love transformed her.

Health and Wellbeing

As the development of skills takes time, we will continue to develop our athletics skills, learning and practicing how to run effective relay races.

Literacy

Listening and Talking

We will discuss in small groups how climate affects living beings as part of our study on climate zones.

We will start preparing a short group presentation

Writing

We will write imaginative stories and focus on the sequence of events as well as learning more about the meaning and the use of VCOP.

Reading

This week we will continue to learn about the skill of 'drawing conclusion' from what we have read.

We continue to focus on the writers use of language and share our thoughts and opinions.....

Numeracy

Numeracy: We will be consolidating multiplication and division, using the times tables we know.

P3: Will be focusing on dividing by 3, as well as by 2, 5 and 10

P4: Will be focusing on dividing by 4 as well as by 2, 3, 5 and 10

P3/4: We will continue with the mathematic topic of measure and focus on measure in litre and millilitres.

Skill/ Disposition Focus

Primary 3: Confident Individuals: I can take time to consider my experience and what I need to do next.

Primary 4: Confident Individuals: I can review my achievements against success criteria

(As these are very important skills we will keep these skills focus for another week)
