

Early stage

Think about something you enjoyed doing this year in drama, (it might be a story we acted out, a drama game, something you became...)

Draw a picture of you doing it in the space below– and write down why you liked doing it too!

Do this activity this week (focus on evaluating

Looking forward to seeing your picture! Have fun!

Drama suggested activity grid for early stage (Primary 1)

First level

Think about something you did this year in drama (it might be a story we worked on, a drama game, a character you became...)

Write about what you did – what you liked and what you didn't, and how well you worked.

Do this activity this week (focus on evaluating)

Looking forward to reading what you have written.

Have fun!

Second stage

Think about something you enjoyed doing this year in drama (it might be an issue we worked on, an improvised scene, a character you became...)

Write about what you did, who was in your group, the scenario/storyline, what you liked and what you didn't, and how effectively you worked.

Do this activity this week (focus on evaluating)

I look forward to reading your evaluation. Have fun!
