

DRAMA FACES BINGO!

Try this out and have some fun!

Ms Aird.

HAPPY	SHOCK	SCARED
SAD	SURPRISE	LOVE
ANGER	JOY	BOREDOM

How to play...

If you are on your own – look into a mirror, try to turn these feelings into a facial expression – try to make it exaggerated (make the expression bigger and more obvious than you usually would). Did any of the faces make you laugh? I hope so.

Or ...

If you have someone else to play with – try turning these feelings into a facial expression and let the other person guess how you are pretending to feel. Tick them off when your partner guesses correctly.

Now, make your own grid, if you want to, using your own ideas.
