

## #Cuikentoolkit

We are delighted to let you know that we are relaunching our wonderful Cuiken Toolkit. Last term our learners took ownership of this and created new characters to match our learning skills.

Parents and carers are vital to raising attainment and achievement and your support of our toolkit will be vital to your child's progress. We will focus on a new skill each week to develop our shared language of learning and we need your help! We would love to see you engaging with our weekly skill and sharing the learning. This week's skill is #becooperative.

We would appreciate as many of our Cuiken families tweeting pictures of your children showing the skill using the #becooperative as possible. Activities such as playing with a sibling, helping with housework, being kind and listening to others would be brilliant! If you do not have twitter you can complete the slip below to celebrate your child displaying the skill #becooperative. Cuiken Toolkit certificates will be presented in assembly weekly and I will be picking a selection from our twitter/slips.

We can't do this alone and I am sure that we are all united in wanting the best for our Cuiken learners.

Name of pupil: \_\_\_\_\_ Class: \_\_\_\_\_
