

Be Safe, Be Kind, Aim High

Celebrations

The Book Nook. At last the construction of our outdoor reading area is complete and we had a grand opening. Thanks to Tesco and JABEK Ltd for helping us to achieve our dreams.

New Staff. The team are celebrating and welcoming 2 new members of staff Pat Duncan and Rosie McCallum. We hope they enjoy being part of our Cuiken family.

Daffodil Tea. Thank you for coming along we raised a fantastic £324.00.

Wider Achievements

Please let us know if your child has an achievement outwith nursery with them so we can celebrate this with them.

Arnaud has learnt to ride his bike without stabilisers.

Crystal learnt to ride a bike without stabilisers.

Hamish K and Lexi B learnt to ride a bike without stabilisers.

Wider Community

Broomhill Children in the afternoon are continuing our intergenerational work with Broomhill's elderly clients. We recently celebrated Easter with them and planted some spring flowers for everyone to enjoy.

P6 Buddies As part of the transition to P1 the P6 children are becoming buddies and supporting the children on this journey.

Peeps Group The sessions were very successful and we hope to have further sessions in the new term.

Construction The children have been very interested in the building of new classes at the far end of the school. Watching the building going up and the different construction vehicles that visit.

Unpaid Workers This team of people have built us a fantastic tractor in our garden. We thank them for all their hard work.

Nursery Term 4 May 2019

Dates to look out for:

20th May - Bank Holiday for pupils and In-Service Day for staff.

23rd May - European Elections. School is closed to pupils.

13th June - Parents visit for new P1 intake and Meet the Teacher for children.

8th June – Last day of Term

Children's Interests

Children have been very interested in bugs and mini beasts. We are having some caterpillars delivered so that the children can watch them transform into butterflies. We are hoping to have a wormery and have microscopes so that the children can explore more.

The children are loving the outdoor water play. They are using the water butt to extend their learning. They possibly go home a little soggy but that is all part of the learning experience and fun!

We have been looking after our environment and the children have been doing a litter pick once a week. They are upset by what people leave lying around and don't put in the bin.

The loose parts in the garden are proving to be a great hit, generating a lot of interest where children are building, creating and using their imagination.

Other information:

Our Modern Apprentice Kat Walker is now on maternity leave. We wish her well and look forward to meeting her little bundle when she arrives.

We are currently sending home the learning profiles for families to enjoy. Please feel free to contribute to these books. It is lovely to see what you have been doing and any achievements the children have.

A gentle reminder that parents should send children appropriately dressed for the weather and remember to provide a coat. Being in Scotland we can have four seasons in one day! Sun cream should also be applied in sunny weather.

If you would like to come in and spend some time in the nursery sharing a skill or just reading to children, a calendar will be available in the entrance so you can pick a date.
