Think about what you can see, hear, smell and touch inside the castle (you might want to share your ideas with an adult at home). Draw a detailed picture of the castle. Get someone to write a couple of sentences about the castle under your picture or have a go at writing it by yourself (someone at home can help you with your spelling if you want).</p> <p>Read a story every day and talk about it/draw pictures/predict what might happen next.</p>	<p>Roll and add - Roll 2 dice and add dots to find total. Family Learning	Wellbeing	Music
<p>Play a game as a family. This could be a board game, a game of hide and seek, a game in the garden, or you could make up a brand new game. Make sure everyone who wants to play is included and that everyone knows the rules and takes turns.</p> <p>If you have access to twitter share a photo of your family enjoying the game on the school twitter page.</p>	<p>Spend some time every day this week doing something relaxing by yourself. It is good for everyone in your house to have some quiet time on their own. You might want to draw, colour in, look at a book, do a jigsaw puzzle, play with lego or listen to some music.</p>	<p>Log onto Fischy Music and practice one of the songs - https://www.fischy.com/login/</p> <p>User name - cuiken_ps@midlothian.gov.uk Password - Cu1k3n150</p> <p>Think of different animals - eg dog, rabbit, elephant. How many syllables (beats) do these words have? Place your hand under your chin as you say each word if you are not sure. Can you clap each word and put them together to make a simple rhythm? Teach someone at home your rhythm.</p>

Complete each activity on the grid - these can be completed in Green Jotter you were given.
