

Cuiken Primary Home Learning Grid - P7

<p style="text-align: center;">Literacy</p> <p>1. Watch a film of your choice. During or after the film create an 8 box comic strip in the home learning jotter and summarise the events of the film in chronological order. Each box should have a picture and at least 1 sentence. Add colour. Make sure you tweet these to earn Recognition Squares!</p> <p>2. On Google Classroom there is an assignment due on 2/4/20. Write an imaginative story which includes an animal. You must follow all steps to success.</p>	<p style="text-align: center;">Numeracy</p> <p>1. Order the numbers below from smallest to largest. Now round each of these numbers to the nearest 10. Eg - 24²3 to the nearest 10 = 2420 look at the tens column, use the ones column to decide whether your ten goes to 20 or 30, 5 is the magic number! Remember to write the whole number and not just the tens as your answer.</p> <p>2. Write numbers from largest to smallest. Circle the even numbers and underline the odd numbers. 2423 2427 1943 3321 1325 7853 9432 10,175 4488 2143 5623 9854 9872 7154 2161 8555</p>	<p style="text-align: center;">Maths</p> <p>1. School Sumdog Competition! Mon 30th March 9:30am to Fri 3rd April 12:30pm</p> <p>The more you play and answer questions correctly the more chance you have of winning!</p> <p>Get practicing and good luck!</p> <p>2. Draw 5 2D shapes in your jotter and list how many edges, faces and corners they each have.</p>
<p style="text-align: center;">ICT</p> <p>1. Log onto GLOW and go onto Google Classroom. You should all already have access to this! Code <u>75v46kc</u></p> <p>Write a message on the classroom wall to show Miss Pelosi you have access!</p> <p>2. Have a go at using Scratch at home. Can you make your icon do something? https://scratch.mit.edu/projects/editor/?tutorial=getStarted</p>	<p style="text-align: center;">Exercise</p> <p>Joe Wicks - 9am Monday - Friday or use a previous one on you tube! Search The Body Coach TV. Cosmic Yoga</p> <p>Set up an obstacle course in the garden using plant pots, chairs anything that is around you. Count how many times your heart beats in a minute (BPM) before and after, log this. Complete the obstacle course and time yourself! Log your time in the home learning jotter!</p>	<p style="text-align: center;">IDL</p> <p>1. Choose 3 animals, who all live in different climates. Create a food chain to show what eats what to survive and remember to use arrows to show the flow of energy. Put these 3 food chains in your jotter. Always starts with a producer and ends with a predator.</p> <p style="text-align: center;">Algae → Shrimp → Arctic Cod → Seal → Polar Bear</p> <p>2. Write a paragraph summarising what is happening in the food chain.</p>
