Literacy

- **Reading** - A sheet with all reading and RWI activities will be shared with you for each group on Google classroom.
- **Reading for enjoyment** - Read a book of your choice and talk about your favourite part and say why it was your favourite or write a short book review if you would like to challenge yourself.
- **Writing** - Write a letter to a friend or a family member who you have not seen for a while. You can tell them how you are and all the fun things you have been getting up to. Try and add at least two questions to ask them. Remember to use the correct format for a letter starting with hello or dear and end with your name. If you would like to challenge yourself you can add an address at the top of your letter. See Google classroom for more details.

Numeracy

- **Making equal groups** - Choose mild, spicy or hot and how many equal groups you can make with the following numbers. You can lay out Lego or counters to help you. If you would like to challenge yourself see if you can make these numbers in more than one way. For example with the number 12 you can make 3 groups each with 4 counters or 2 groups each with 6 counters.

Mild: 6, 9, 10, 14, 15, 8, 12, 16, 4

Spicy: 14, 18, 22, 27, 24, 9, 30, 12, 26, 20

Hot: 21, 28, 30, 32, 27, 20, 36, 24, 40, 44
(If you count in 3's and 4's this will help you here).

- **Sumdog** - Miss Boyle has set up some questions for each group on Sumdog. Log on to Sumdog and see if you can complete the questions.

Maths

- **Symmetry** - Can you draw and colour a picture and make sure it is symmetrical on both sides. Here is an example for you.

- **Education city** - Log on to Education city and complete the games and tasks on symmetry that have been allocated. On Education City you can also challenge your friends to play live at 11am on Friday.

<ul style="list-style-type: none">If you haven't already log onto <i>GLOW</i> and accept invite to Google classroom. Our Google classroom code is kyke7li. Then see if you can write a message on the classroom wall to Miss Boyle and Mrs Mckie! Thank you to everyone who has joined so far. We have loved reading all your messages!Practice your typing skills using BBC dance mat https://www.bbc.co.uk/bitesize/topics/zf2f9j6/articles/z3c6tfr	<ul style="list-style-type: none">Daily exercise - Ride your bike or scooter or go for a walk/ run.Dancing - Dancing is another good form of exercise. You can complete a dance from Just dance following this link https://www.youtube.com/results?search_query=Just+dance or you can learn to dance with Oti following this link https://www.youtube.com/channel/UC58aowNEXHHnfIR_5YT+P4g	<ul style="list-style-type: none">R.M.E - This week is the beginning of Ramadan, where Muslims fast for a month, which means they do not eat anything from dawn to sunset. If you had to give up one meal for a month what would it be? You can draw a picture of it in your jotter but remember to say what the food is, and if you can, say why you would give it up. See more details on Google classroom.P.3 - Can you remember what the words predator, prey, consumer and producer mean? If you are not sure, look these up online or ask an adult (definitions will also be posted on Google Classroom). In your jotter, write 5 examples each of predators and prey (remember, sometimes these are the same!). Finally, use these animals to create a food chain like the paper chain ones we did in class.P2 - Last week we looked at underwater animals and now we are going to look at minibeast. Watch this short clip. https://www.youtube.com/watch?v=JuHg5oWF_mo Can you go on a minibeast hunt in your garden? You can create a tally of how many animals you find and take or draw pictures of them in your jotter. See Google classroom for more details.
