ICT	Exercise	IDL
<ul style="list-style-type: none">• If you haven't already log onto <i>GLOW</i> and accept invite to Google classroom. Our Google classroom code is kyke7li. Then see if you can write a message on the classroom wall to Miss Boyle and Mrs Mckie! Thank you to everyone who has joined so far. We have loved reading all your messages!• Go onto Google Classroom and complete at least one task. If you have any problems let me know and I will try and help you with this.	<ul style="list-style-type: none">• Joe Wicks Workout - Live Mon - Fri at 9am or search The Body Coach T.V on You Tube.• Cosmic Kids yoga - Search cosmic kids yoga on you tube and choose a routine to carry out.	<ul style="list-style-type: none">• Watch the Easter story. I will post the link to watch on Google classroom. Retell the story by drawing your own pictures for each event. If you would like to challenge yourself you can write a sentence or two underneath each picture to explain what is happening.• P3 - Do you remember we were looking at food chains? On Google Classroom, you will find a chilli challenge activity on this. Have a look at each of the sheets and decide which you would like to work from. You will find more information on this with the activity.• P2- Watch this short clip https://www.youtube.com/watch?v=JOJkvhSpBiQ Can you make a poster of your favourite animal and write as many facts as you can remember about the animal of your choice. If you would like to challenge yourself you can make notes whilst you are watching the video.

Family Learning	Health and Wellbeing	Expressive arts
<ul style="list-style-type: none">• Complete a jigsaw of your choice. Remember to work together as a team.• Help an adult cook a meal or bake a tasty treat. You can challenge yourself and see if you can follow the recipe too!	<ul style="list-style-type: none">• Write down something that you want to do today but couldn't. You can ask the rest of the family too. Place them in a jar or box knowing that when we are all able you are going to do them all, one at a time.• If you can, go on to YouTube and watch 'Boundin'. Remember the sheep felt really happy and would dance for all of his friends, but once he was sheared (got a haircut) he was very unhappy.• Tell a grown up why he was very unhappy and why did the Jackalope make him feel better? Using a page from your jotter can you; Draw some balloons. Draw some things that can make us feel down (unhappy or sad) in some balloons and draw some things that make up (happy) in others. Can you draw a picture of you looking very happy and say why you are happy?	<ul style="list-style-type: none">• Music- Create your own rhythm using different parts of your body as an instrument. Then perform your rhythm to someone at home! There is an example of this on goggle classroom to help you.• Art - Using any materials you have in your house make a 3D model of your underwater animal you made a poster about.

Complete each activity on the grid - these can be completed in the Green Jotter you were given or on Google classroom.

Remember squares are up for grabs so tweet all your home learning if you can!
