Have a look at the steps to success to see what you should include. https://stories.audible.com/discovery• A sheet with RWI activities will be shared with you on Google Classroom. Have a look for the one that is for your group. If you usually go to Ms Burns or Miss Dolan during RWI, you should do the Owl Reading Comprehension on Google Classroom.	<p style="text-align: center;">Numeracy</p> <ul style="list-style-type: none">• As a follow up to counting in 2s, 5s and 10s, have a go at the Morning Spark challenge that is on Google Classroom. Choose between Neutral, Earth and Live (just like we have in class). If you want to challenge yourself, you can do more than one column. You can write the answers in your jotter.• Sumdog Maths Challenge! Miss Duncan has set up a competition starting on Monday 20th April and ending on Friday 24th at 8pm. This is just for our class. Log on and take part. The more you play, the more chance you have of winning! Good luck, p3! ☺	<p style="text-align: center;">Maths</p> <ul style="list-style-type: none">• Practise telling the time on an analogue clock with an adult. How do you know when it is o'clock, quarter past, half past and quarter to?• There is a shape sorting challenge on Google Classroom. You do not need to print out these sheets; you can write the name of the object or draw a picture of it under a shape heading (e.g. cube, cuboid etc).
<p style="text-align: center;">ICT</p> <ul style="list-style-type: none">• If you can, post some of your learning on twitter to earn recognition board points!• Go onto Google Classroom to complete some of the tasks you have been set for other subjects. If you have any problems accessing this, let me know and I will help you.	<p style="text-align: center;">Exercise</p> <ul style="list-style-type: none">• Create a free Go Noodle account and try to do at least one of the videos a day. What level will your character reach by the end of the week? ☺• Create your own obstacle/relay course in your house or in your garden.	<p style="text-align: center;">IDL</p> <ul style="list-style-type: none">• Think about what kind of job you would like to have when you are older. Draw a picture of what this would look like and then write short sentences to describe what sort of things you would have to do.• Do you remember we were looking at food chains? On Google Classroom, you will find a chilli challenge activity on this. Have a look at each of the sheets and decide which you would like to work from. You will find more information on this with the activity.
