The Class of 2020

We are delighted to welcome our new Primary 1's to Cuiken Primary School! We know the move from Nursery to P1 is different this year however we will make sure our transition supports all of our families to have the best start possible.

Hello to our lovely Cuiken Family and welcome to Primary 1. My name is Mrs Bond and I am the Head Teacher. I can't wait until I see you again/ meet you for the first time and I am so excited to be able to start your Primary 1 journey with you!

Questions

The most difficult thing about this transition is not having the answers to all of your questions! We are able to answer some questions which we have noted below

What class will my child be?

At present we are due to have 1 P1 class next session however this could change if there are any further enrolments over the next few months.

Who will the teacher be?

We are still awaiting information around staffing and we are hoping to share who the P1 teacher will be at the start of June.

How do I order uniform?

We are delighted to advise that you can now order and pay for Nursery and School uniform online:

<https://www.parentpay.com/ParentPayShop/Uniform/Default.aspx?shopid=779>

At the moment we don't have the answers for these most frequently asked questions:

- When are the children going back to school?
- What will school look like when we return?
- What days/times will my child attend school?

When we do have information on any of the above you will be the first to know!

We will be posting out more information around transition over the next few weeks so keep an eye out for the post...
