## Literacy

### Daily Activities

#### Spelling/Reading

Please see task in Google Classroom

#### Read/listen to a story every day.

You can read a book you have at home or if you have a library membership you can download the Borrowbox App and borrow a book electronically from the library. You can listen to some stories for free on Audible.

You might like to watch *Going on a Bear Hunt* - It reminded me of our assembly.

<https://www.youtube.com/watch?v=Waoa3iG3bZ4>

#### Writing

This week's writing task is linked to our Topic Work, so you will have to learn about the Life Cycle of a Butterfly, before you attempt the writing.

Carefully think about the four stages in the Life Cycle of a Butterfly, and then choose one of the sheets below to retell it in your own words.

Remember to write in full sentences with full stops and capital letters and use finger spaces.

There are topic words there to help you, so make sure you copy these words correctly.

## IDL

### Science /Art/Literacy

#### The Life Cycle of a Butterfly

This week we are finding out about the Life Cycle of a Butterfly.

Follow the link to find out how a caterpillar turns into a butterfly.

[Video](#)

Now, complete the task in Education City.

There is a super clip which teaches you the four stages of the Life Cycle of a butterfly via dance. Try and learn both the dance and the stages of the Life Cycle.

[Butterfly Dance](#)

Now complete the Life Cycle of a butterfly sheet below.

You could copy it into your jotter and draw the pictures yourself.

## Numeracy

### Daily Activities

Follow the Link below to complete Daily Ten. There are addition, subtraction and ordering number activities. Try a different one each day. This is designed to improve speed and accuracy and requires the child to write the answers. They can challenge themselves and move up levels.

[Daily Ten](#)

#### Focus for the week.

We will continue to focus on Fractions.

There is a Fraction Worksheet below but also practice the Fraction Tasks in Education City.

**Read and Colour the Fractions**

one quarter	one half	three quarters
one quarter	one half	whole
$\frac{1}{4}$	$\frac{1}{2}$	$\frac{3}{4}$

**Life Cycle of a Butterfly Writing Activity**  
Write a sentence about each part of the life cycle of a butterfly.  
Use the boxes at the top to help you.

eggs butterfly leaf  
caterpillar chrysalis

sound it out  
finger spaces  
full stop

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

### Handwriting

Practice your handwriting using the sheet below.  
You can print the sheet from *Google Classroom* or  
you can ask someone to copy it into your jotter.

### Weekly Activities

*Remember to "Play Live" in Education City  
where you can challenge your classmates.*

# Cuiken Primary Home Learning Grid P2

**First 100 High Frequency Words Handwriting**  
Practise your weekly spelling words using cursive handwriting.

the  
that  
not  
look  
put  
and  
with  
then  
don't  
could

## Building Sentences

Remember a sentence needs a capital letter and a full stop. Practice building sentences using the sheet below.

**Writing Super Sentences**

I can use a capital letter at the start of a sentence.  
I can use a full stop at the end of a sentence.

1. Insert the capital letters and full stops to complete the sentences.

a) \_\_\_\_\_ atman has black boots. 

b) \_\_\_\_\_ reenman is a strong superhero. 

c) \_\_\_\_\_ superheroes can fly up into the air. 

2. Use the words and picture to help you to write your own super sentence.

fast    superhero    run  
this    can

## HWB

Lauren is going to set us a Health and Well Being task every week. We are so lucky! Thank you, Lauren. Here is our task for this week.

"Your task this week is to throw and catch with a twist! How many times can you throw and catch an object without dropping it? If this gets too easy can you try and throw your object, clap your hands and manage to catch it again before it drops?! This could be a ball, bean bag, a shoe! Anything you can find.

Keep a record of your score and let us know via Twitter! Good Luck, Lauren."

Remember to take some exercise with members of your household each day if possible and every morning at 9am, you can tune in to Joe Wicks or Google Cosmic kids yoga.

## Maths

### Measure

We would like you to bake cakes so that you can improve your skills in weighing and measuring.

### But

Before you do the baking, we would like you to complete the "Using scales" activities in Education City.

The little cake in the photograph below is called a Butterfly cake. Can you think why? Ask an adult to help you to have a go at baking your own Butterfly Cakes.

[This link will take you to an easy recipe.](#)

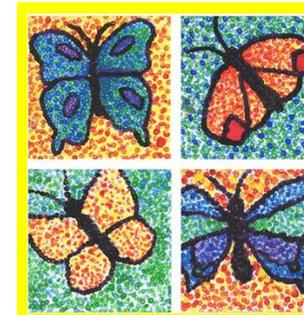

## Expressive arts

### Art

Georges Seurat was a famous French Artist. He is best known for a style of art called pointillism. If you look closely at his pictures you can see that they are made up of tiny dots. (You can research some of his work online.)

Here are a few pictures of butterflies which some children have done using this technique.

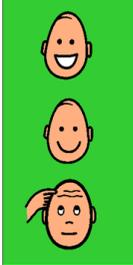

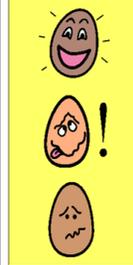

[Follow this link to](#) see some different types of butterflies. Choose the one that you like best and copy the colours and patterns to create your own butterfly using a pointillism effect. It works well with felt pens.

There is a butterfly outline for you to copy or you can print it from [Google Classroom](#).

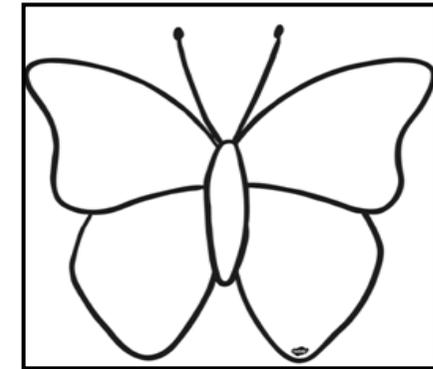

## Zones of Regulation

Remember to go into Google Classroom and say which Zone you are in.

**The Zones of Regulation**

			
<b>Blue Zone</b>	<b>Green Zone</b>	<b>Yellow Zone</b>	<b>Red Zone</b>
sad sick tired  moving slowly  bored	happy calm feeling ok focused ready to learn	frustrated worried silly/wiggly excited loss of some control	mad/angry terrified yelling/hitting elated out of control

Miss Hancock or Mrs Pringle will share this with you on a Monday, Wednesday and Friday.

## Additional Butterfly Activity

Some of you may also want to have a go at making a colourful butterfly like the ones in the picture below. You will need a paper plate, a lollipop stick, paints and something for the antennae. The ones in the photo have been made using pipe cleaners, but you may have to improvise and look around your house for something else that would do.

# Cuiken Primary Home Learning Grid P2

## French

Tune into a Live French Lesson with Mrs Robertson, the Co-Ordinator for 1+ 2 Languages, at 11.30am on Thursday.

[Follow this link.](#)

Mrs Robertson will be continuing with French Numbers this week. Support this with the number song you can find in the link.

[Number song - Les Chiffres](#)

Also, do you enjoy playing Hide and Seek? In French it is called Cache-cache.

Watch this video to learn how to play it in French.

[Cache-Cache](#)

## I.C.T./R.E

### I.C.T. Task

There is a super website called "Grid Club" which I would like you to look at.

There are various things on it which you will enjoy. Have a look!

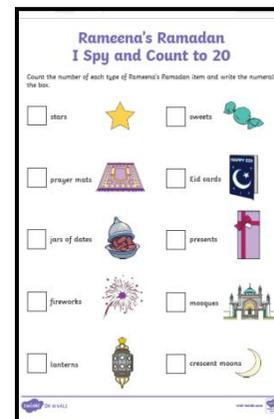

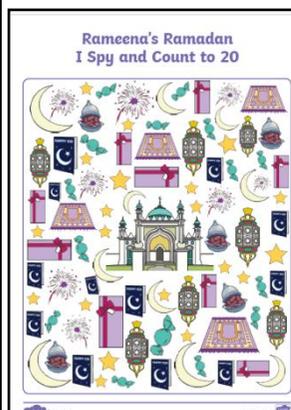

Then look at the art Factory section.

There is a little paintbrush icon on the bottom left. Click on it and it will take you to the master class. Click on George Seurat, read the biography, then click and read Work process, then "try it."

You have to click on one of the figures in the painting, use the Seurat toolbar to try the technique yourself. It's great fun!

### R.M.E.

We are learning about Ramadan. Have a look at the Ramadan I spy sheet and see how many of each object you can find. There is a checklist to help you.

## Family Time/Life Skills

### Life Skills

- Last week we asked you to learn your name and address. Did you? Now can you learn to write it?
- Have you all learned to tie shoe laces?
- And make sure you do at least two chores every day!

### Family Time

Did you enjoy learning the Butterfly Dance? Try teaching it to your family.
