## HWB / Exercise

**P.E** - Lauren has set you another task this week☺  
Can you design your own game of Hopscotch? It can be as long or as short as you like but you should put a task in each box. E.g. complete 5 star jumps before moving on! This can be written on paper or if you have chalk on a drive/pavement. You could share your photos on Twitter or Google classroom ... Good luck!

**Resilience** - Think of a film you have watched or a book you have read , where one of the characters has had to adapt to changes in your life (e.g. Harry Potter going to Hogwarts) What kind of changes did your character have to deal with and how did they manage to do it?
