Literacy	Numeracy	Maths
<p>Grammar P-51 Mustangs: Refer to Education City, and have a go at the task set on factual writing. Hurricanes: Refer to Education City, and have a go at the task set on factual writing. Spitfires - Refer to Education City, and have a go at the task set on factual writing. Boeing B-17s: Refer to Education City, and have a go at the task set on factual writing.</p> <p>AR Keep going with your personal reading and completing AR quizzes where you can!</p> <p>Novel Study - Charlotte's Web Read or have someone read to you chapters three and four of Charlotte's Web.</p> <p>Language Activities</p> <ol style="list-style-type: none"> Domestic pigs are the most plentiful large domesticated animal on earth, with a population of over two billion. Pigs are found on every continent except Antarctica. Pigs are omnivores (they eat meat and plants), and are raised for their meat and for the leather their hides can produce. Using Internet, investigate additional facts about this valuable animal. Below record three or more fascinating facts from your research. Author's often enjoy using alliteration - a literary device where the author repeats the same sound at the beginning of several words. An example from Chapter One is 	<p>Education City - Rounding Numbers</p> <p>Log onto Education City and have a go at the activities set for your Math/Numeracy group. These tasks will be available from Monday 4th May.</p> <p>Rounding Numbers</p> <p>Mild:</p> <ol style="list-style-type: none"> Round each of these numbers to the nearest 10. 54 12 76 82 47 28 56 Enrico is rounding numbers to the nearest 10. Circle the numbers he will round to 80. 72 84 76 89 77 Jo estimates the answer to $52 + 74$ by rounding both numbers to the nearest 10 and adding. Write Jo's estimated answer <p>Medium: The above, plus</p> <ol style="list-style-type: none"> Round each number to the nearest 100 326 704 1477 Round each number to the nearest 100 3783 6317 5078 Round 2628 to the: a) Nearest 10 b) Nearest 100 c) Nearest 1000 <p>Hot: All of the above, plus</p> <ol style="list-style-type: none"> Round each number to the nearest 1000 a) 4009 b) 6317 c) 5078 Sean rounded a number to the nearest 100. His answer was 700. Write down three different numbers that Sean's number could have been. Round each number to the nearest 1000 a) 6043 b) 789 c) 3911 	<p>Properties of 2D shapes and 3D objects</p> <p>Make a list of all the 3D and 2D shape names you can</p> <ul style="list-style-type: none"> Find objects in your house that are 3D objects What 2D faces do they have? Can you list the properties of the shapes? Try sketching shapes and labelling their properties Practice counting the properties of 3D objects <p>Remember that shape properties are: 2D shapes - sides and vertices 3D shapes - edges, faces/surfaces/vertices.</p> <p>Challenge 1 : Selecting a 3D object design your own hand sanitizer ☺</p> <ul style="list-style-type: none"> What would you call it? What shape would you choose? <p>Challenge 2: Drawing 3D shape</p> <ul style="list-style-type: none"> Taking the skills, you were taught practice drawing a range of 3D objects What was the trickiest and why?

P5/6 Cuiken Primary Home Learning Grid

<p>"...forgive me for this foolishness." (Although it is usually more effective if the words are all in a row - i.e. pretty Polly Parker.) Using your imagination, create your own examples of alliteration from the following topics. Each example must contain a minimum of three words.</p> <p>The wail of an angry baby. The sound of a police siren. From your imagination.</p> <p>Challenge: Can you share your answers on Google classroom?</p>	<p>Sizzling: All of the above, plus</p> <ol style="list-style-type: none"> 1. Max has a secret number. He rounds the number down to the nearest 1000, the answer is 7000. He rounds the same number to the nearest 10, the answer is 7340. Write down a possible secret number. 2. Oliver rounds numbers to the nearest 10. Circle the numbers Oliver has rounded. 350 4005 6000 7900 10101 3. Eve has four number cards; 5 9 6 1 She makes four digit numbers using the cards and rounds them to the nearest 1000. Write the 4 four-digit numbers that Eve will round to 7000. 	<p>Sumdog</p> <p>Shape and rounding challenge. Answer the 100 questions set to receive 100 coins.</p> <p>Challenge: Can you complete a SumDog session without getting any questions wrong!</p>
<p style="text-align: center;">ICT</p> <p>Google Classroom</p> <p>This one is definitely a challenge; I am new to Google Classroom too.</p> <p>Using Google classroom, can you share a joke with your class mates? Remember that the joke has to be appropriate, if your grown up wouldn't approve don't post it. I am looking forward to a good giggle.</p>	<p style="text-align: center;">Exercise</p> <p>Joe Wicks</p> <p>If you have access to youtube complete Joe Wicks PE lesson everyday. (Live on youtube 9:00-9:30).</p> <p>Challenge: On Monday, count how many burpees you can do in a minute, ask an adult to help time you. Then repeat again on Friday, have you improved?</p>	<p style="text-align: center;">IDL</p> <p>STEM - PPE mask</p> <p>There is a national shortage of PPE (Personal Protection Equipment). Due to this I am setting you the task to design and create your own face masks using materials you have lying around your house. Remember the mask must cover your mouth and nose (and be able to breathe) and you must be able to put on and remove without it breaking.</p>

<p>Coding Go to https://code.org/learn and choose a coding activity to do.</p> <p>Challenge: Can you complete more than one activity? Share on Google classroom the ones you have completed for others to see.</p>	<p>Focus and Concentration Can you spell words whilst throwing and catching a ball between you and a family member?</p> <p>Challenge: Can you keep score? Who is the best at focusing and concentrating on two different activities?</p> <p>Exercising During lockdown it is difficult for us to use up as much energy as we're not running around the playground or going out to play. What have you done to keep yourself moving?</p>	<p>Challenge: Share your completed face mask on either twitter or Google classroom.</p> <p>Adaptations Watch the short clip on BBC Bitesize https://www.bbc.co.uk/bitesize/topics/zhvvcw/articles/zxg7y4j Create a polar bear adaptation poster displaying information on adaptation and how polar bears have adapted to their surroundings.</p> <p>Challenge: Use the internet to further research this topic and include the information you find on your poster.</p> <p>Success Criteria: 1. A bold title 2. Use of subtitles 3. Illustrations 4. Relevant details and information</p>
<p style="text-align: center;">Family Learning</p> <p>YouTube Show off those cooking skills by creating a food tutorial video - Joe Wicks style! Use your camera/ clips/ Imovie to share your recipe with others. Or create your own recipe book using the PicCollage app, with various different recipes and pictures.</p> <p>Days of the year calendar challenge - complete as many as you would like Monday 4th May - Star Wars Day Dress up or watch one of the Star Wars films. Tuesday 5th May - Cartoonist Day</p>	<p style="text-align: center;">Health and wellbeing</p> <p>Keep being you, you are amazing Remember to keep doing things you love during the week!</p> <p>Awareness What are the things that you will change about your life when we go back to 'normal'. Either about yourself or something you might like to do?</p> <p>RME Ramadan started in April and I asked you which food you would give up and why. Which food would you choose to break your fast and why?</p>	<p style="text-align: center;">Expressive Arts and 1+2 Languages</p> <p>Make music Body Percussion Activity 3 https://www.youtube.com/watch?v=pC7TfQaOTts Take part in this body percussion exercise! Can you get somebody to video you to show you completed it? If not don't worry!</p>

P5/6 Cuiken Primary Home Learning Grid

Read your favourite comic strip or draw your own.

Wednesday 6th May - Golf Day

Create your own mini golf course.

Thursday 7th May - Password Day

Make up a code and leave someone a secret message.

Friday 8th May - No Socks Day

Don't wear any socks.

Saturday 9th May - Train Day

Create your own model train.

Sunday 10th May - Mother Earth Day

Watch an episode of Blue Planet.

Why do Muslims fast during the month of Ramadan?

Zones of Regulation

Can you share with your Grownups at home about the Zones of Regulation - can you explain the 4 different zones and what each means.

The Zones of Regulation

Blue Zone	Green Zone	Yellow Zone	Red Zone
sad sick tired moving slowly bored	happy calm feeling ok focused ready to learn	frustrated worried silly/wiggly excited loss of some control	mad/angry terrified yelling/hitting elated out of control

1+2 Languages

Learn a language

If you haven't already done so download the Duolingo app (French or Spanish) and complete the daily tasks.

Challenge: Who can get a 7 day streak?
Maybe make it a competition with the people you share a home with.

Follow the link below to access a free French lesson. Tune in every Thursday at 11.30am to see Ann Robertson (Midlothian and East Lothian's 1+2 Language Coordinator) giving a lesson.

<https://www.youtube.com/channel/UCO4YR8hhRveNhvZrz9xptDQ>

Complete each activity on the grid - these can be completed in Green Jotter you were given.
