P7 High School Transition Information

We know the move from P7 to S1 is different this year however we will make sure our transition supports all of our families to have the best start to high school as possible.

Below are key dates that will show how we plan to support the journey from P7-S1

W/C 18/05 P7s to complete survey re questions about HS to be given to HS guidance staff – encourage pupils to add questions before Friday. This will be sent to the HS and they will create a PowerPoint answering the commonly asked questions and this will be shared on Google classroom. A member of HS staff will be added to the Primary Google classroom. The PowerPoint will be emailed to all P7 parents of the school.

21/05/20 – Primary school staff to make phone calls to P7 families.

Guidance Teams from HS will be in contact at the end of May / start of June to introduce themselves and check in with families by email in the first instance. The high school are in the process of setting up a special transition email address to allow P7 parents to communicate directly with them.

Information and Workbooks, will be sent out to pupils to work on across the transition days and Workbooks to be taken to HS once pupils return after summer.

10/06-11/06 Transition Days

Link Guidance staff will access P7 Google classrooms during these days and run activities. This is following discussion with the other high schools and will allow consistency across them. There will be set times that activities will be taking place that day so you can plan your day around these.

Please be reassured that there will be a huge focus on emotional and social well being when they start high school, we are unable to say when this will be and how this will look but that will be the priority.

A Letter from High school will go out to all P7 School pupils at the same time. Info will be on the high school website and Twitter feeds.

We will endeavour to make sure that our P7 pupils have the send off and end of Primary celebration they deserve – this will be done sensitively and will follow social distancing guidance, we will keep you informed at all stages - Keep checking the app.
