

Confident Understood Inspired Kind Engaged Nurtured

Be Safe, Be Kind, Aim High

Literacy

Reading -

P1 will be revising their set 1 sounds with RWI Phonics and begin to blend using these sounds that we have been learning. We will use stories after break, sometimes I read and other times we listen to an audible. Children will be encouraged to talk about what happened in the story, the main characters and how they felt. P1 will be focussing on nursery rhymes for one week starting 16th November.

Writing -

P1 will be continuing to draw detailed pictures to help them articulate sentences which are scribed for their writing. We will continue to practice writing our names with a capital letter. P1 will begin to look at writing lists using pictures as a stimulus.

Listening and Talking -

P1 will be focussing on nursery rhymes for one week starting 16th November. We will be giving talks about our favourite toy and developing skills at listening to others through sharing news once a week.

Health and Wellbeing

HWB -

P1 will be learning about different food groups and looking at the eat well plate. They will move onto looking at positive relationships. This will link in nicely with unpicking our school rules with the class and discussing expected and unexpected behaviours. This has good links to the 4R's of our new Positive Relationships Policy.

P.E -

P1 will be learning how to use over and under arm throwing. We will be using target games to help develop these skills and working cooperatively with others. P1 take part in yoga in the classrfoom and have discussions about movement and why we do yoga.

Primary One Term2 2020

Numeracy and Maths

Numeracy - In numeracy, we are learning to order numerals. We will be looking at identifying the missing numeral on a track.

P1 will continue to count items in one collection and begin to count on using 2 collections of concrete materials. We will be finishing writing and reading our numerals to 10.

Maths - P1 will continue time and focus on the months of the year. Some pupils will begin to tell the time using o'clock and will begin to draw the hands on the clock. P1 will look at 3D objects which will follow on from 2D shapes in term 1. They will begin to recognise, name and describe cube, cubiod, sphere, cylinder, pyramid and cone.

Other Curricular Areas

Topic

We will be continuing to look at toys in the past and present.

In between finishing this and Christmas, P1's have had their say and voted to learn all about 'Under the Sea'. We will then have a Christmas topic where we learn all about traditions and festivals.

French

P1 will continue to revise bonjour and ca va. They will begin to learn different responses in French when they are asked how they are. P1 will also be able to say what there name is in French.

Expressive Arts

P1 have been doing arts and crafts with Mr Palmer on a Wednesday afternoon. They will continue to use paint, draw shapes, cut and stick and also discuss mixing of primary colours.

P1 will continue to use role play during explore time. We have a house area and also a dress up area where they can explore this.

RME

Children will be learning about Christian traditions and the Christmas story. We will look at the nativity, but unfortunately we will not be doing a nativity this year due to the current restrictions.

Additional Information

P1 have outdoor slots on a Monday and a Thursday. Where possible we take them outside to do PE.

Please remember that pupils should not be bringing in toys or things from home. These can end up lost or damaged.
