

Rosewell Primary School
Friday Feedback 12th January 2018

Welcome back to Rosewell Primary . I hope you all had a very restful holiday and are all set for the return back to school.

Nursery News

1. We have been settling back into our nursery routine and welcoming our new friends Amelia, Daniel, Kyle and Madeleine.
2. We have introduced the story of 'The Gruffalo and The Gruffalo's Child' we have made a small world with the characters of the story and have been acting out the story and making up our own versions.
3. Using the Gruffalo as a stimuli, we have been discussing where animals live
4. With the weather being very cold we discovered lots of ice in the nursery garden, we used the ice to slide along the floor and discussed the distances they travelled using non-standard units of measurements like our feet.

Doors Closed in the Mornings

Just a wee reminder that we open the doors slightly earlier than 8.50am to allow time for all children to be in school. As we need Learning Assistants in class ready to support children and liaise with teachers we will close both doors at 8.55am. If you arrive after this time, entry to school will be through the main office. We would really appreciate if you could make it to school before the 8.55am cut-off. Thank you for your help with this.

Staffing

We started off the year with news that Mrs Burns will be leaving us to join Hawthornden. We wish her well in her new post. Mrs Burns will leave us on Friday 2nd February and parents are invited into our Scottish Assembly on Thursday 1 February to say thank you and wish good luck to Mrs Burns. There will be more information to follow.

Calendar for this term

We will be sending out a list of dates for this term as we have had to make a few changes to accommodate the new Scottish National Standardised Assessments. Parent Consultations remain unchanged and will be on the 27th and 28th of February. Letters should be with you today.
