

"Welcome Back"

We are pleased to announce that we have started to make online payments for school meals (and other school activities) available to parents across Midlothian. Bonnyrigg, Cuiken and Newtongrange primary schools started using the new ParentPay system at the end of November and we expect it to be available to all primary and secondary parents by the end of this academic year. Further updates will be supplied by individual schools as they prepare to start using the system.

Parents who prefer to pay by cash will still be able to do so but we hope that the convenience of paying online will help ease the daily hunt for change! P1-3 Pupils will continue to receive a free lunch and the cost remains £1.90 for P4-7 pupils.

Further information can be found at www.midlothian.gov.uk/parentpay
