Dear Parents,
I hope you all enjoyed the long weekend last week.

Rosewell Nursery Class

All of our new entrants are now in nursery and are having great fun with Mrs Eunson, Mrs Mellon and Mrs Owenson. All children have been very busy making soup, baking bread and constructing houses. Their learning has been supported with stories and songs. Our next steps are to learn about Autumn. Next week we will also be having a nursery sing-along and a coffee fundraiser for the MacMillan fund – our children will be making the goodies to share with you at coffee time. I look forward to seeing many of our nursery parents there.

Friday Postbag

Thank you to all those parents who agreed to receive our weekly postbag by e-mail - as you are aware this will help to sustain our Eco endeavours! Many thanks to Mrs Ramsay for organising this.

Many thanks to all those who contributed to our Ragbag collection and for supporting us in our Eco work. I will let you know how much we raised as soon as possible! Thank you.

School Photographs

This session we have decided to try a new photography company. Your child (children’s) photo will be taken on Tuesday 25th of September 2012. Please send in your photography slip no later than Monday 24th September indicating whether you wish individual/family photographs.

Class News

Each term we intend to share some of our class news with you. This will provide you with regular updates about curricular work being undertaken by your child in class – hopefully helping you to have a better understanding of the learning experiences being provided for your child and eradicating the age old problem of asking your child - “What did you do at school today?” and being told “Nothing!” Please check our website regularly for our exciting news updates!

Parent Helpers

Many thanks to those who have offered to help support children and teachers within the school by giving up some of their valuable time to assist as parent helpers. I will be in touch directly to organise dates with you! If you would like to help, or if you could offer some assistance in helping at Parents Night with our Refreshments and Book Fair please contact Una or Mrs Ramsay in the office. A reminder that Parents Night Consultations are scheduled for Thursday 4th October – further information will follow.
Seasonal Weather

As we now enter our Autumn season with its typically wet and windy weather, I would ask that all children now come to school suitably dressed and with a waterproof jacket. Recent developments in education mean that your child may be taken outdoors (in reasonable conditions) to take advantage of our environment and its massive potential for learning.

Have a lovely weekend.

Yours sincerely,

Lesley Dunbar
Head Teacher
