

Rosewell Primary School Friday Feedback

Parent Council

Film Night

There are still tickets on sale for **Boss Baby** . Film Night is on Friday 24th November . Child £2, Adults £3. All children must be accompanied by an adult. Doors Open at 6.15pm and screening starts at 6.45pm. Tickets are available from the office.

Fundraising – support with applications

We are very fortunate to have the help and support of the Parent Council who do an amazing job and fundraise for the school. Thanks to them we have been able to purchase a variety of resources over the recent years including sets of ipads to enhance learning. Fundraising from the public sector and companies is an increasingly competitive market and the Parent Council is always looking for new and innovative ways to raise money for much needed resources. Their next goal is to apply for charitable status which would help boost funds. In order to do this they would like to appeal for some help with this task. If you have any experience in the financial or charitable sector and could lend a hand, please contact Lesley Robertson, chair of the Parent Council through the school on 0131 271 4655.

Nursery News – Busy Bees!

1. We continue to explore 2d and 3d shapes through games and experiences, this week we introduced 'pea modelling' which helps to develop fine motor control and enables us to make our own constructions.
2. We are coming to the natural end to our interest in pirates, with our group moving onto space, stimulated by a project in the school which was undertaken by some siblings.
3. Songs and rhymes including number and counting forwards and backwards are our focus. Our interest in baking has prompted the role-play of five current buns.
4. We are reading the 'Loon on the Moon'
5. In our garden we have been noticing the bird feeders being used much more often and have begun to make our own bird feeders and discuss what animals do as winter approaches.
6. Some of our group have been helping to tidy our garden and while raking leaves have been making suitable winter homes for animals.

Sports

P6/7 pupils took part in the Active Schools Basketball Festival on Wednesday and had great fun competing against four other schools. Good reports from all who were involved. Congratulations to the P6 girls who participated in the Soccer Sevens competition. They played six games and won four of them. Great effort from everyone. Good Luck to Charlotte who is competing in the Edinburgh Schools swimming event this weekend. Fingers crossed for you.

P5/6 Anti-Bullying Performance

Our P5/6 class delivered a brilliant performance at Gather Round on Thursday. The theme was anti bullying focusing on All Different All Equal. The important message is that whilst we are all equal and have so much in common, it is also okay to be different. Everyone has the right to be accepted for what they are. Thanks to Mrs Moffat, Mrs Douglas and all the pupils for all their hard work and for a thought-provoking presentation.

Photos – Plasma Screen

Thanks to Mrs Ramsay and her magic technology skills we have the plasma screen up in running in reception. Pop in and see it when you are next passing.

Front of School

Thank you to the Rosewell Grows Group who tidied up the front of the school and made it look neat and tidy . A special thanks to Mrs Marsh who collected some beautiful plants to put at the entrance to the school. We look forward to seeing them bloom!

Christmas Countdown

Look out for information about all the key events in December. We will pop this on the app and send out a family letter so you don't miss any key events
