

**Nursery News**

What we have been learning this week:

The Christmas excitement is upon us, we have been discussing what we know about Christmas, our family traditions and those of people around us.  
 We have been developing our fine motor skills using a variety of media in art and craft activities; please look in the assembly and nursery hall to see our efforts.  
 We have been working with numicon pieces throughout the nursery, these help to develop our understanding of number processes  
 Our small world area is exploring animals which live in icy habitats and we have been discussing water in differing states

**Christmas Sweaters**

We are having a dress down day on Thursday 21<sup>st</sup> December. On this day you can wear a Christmas Sweater or dress in something red or green . We will also be making some Christmas accessories in school to wear if you don't want to come dressed down. As we are making it a special focus day could I please ask that Christmas Sweaters be kept for this day and school uniform be worn in the meantime. Thank you for your support with this.
