

## Rosewell Primary School Friday Feedback 2 March 2018

### Weather Update

What can we say other than it snowed a lot this week. I hope that everyone is safe and has been keeping warm indoors. I also hope you have been able to access some of the activities that we have put on the parent zone of our website. We appreciate your support and patience. I don't think anyone expected such a deluge of snow. Una has been sending me regular updates from snowy Rosewell.

We have been advised that the intention is for all schools to be open on Monday 5<sup>th</sup> March . We will be keeping everyone up to date with messages on the app, twitter and text. There is also up-to-date information on Midlothian Council website. Here's hoping that we see everyone on Monday.

### Parent Consultations

Thank you to everyone who made it along to the Parent Consultations on Tuesday. Staff will meet on Monday to look at an alternative date for the Wednesday Consultations that had to be cancelled. We will let you know as soon as possible.

### World Book Day

This too will be rearranged. At the moment we have a provisional date for Thursday 15<sup>th</sup> March at 2.15pm. Again , we will confirm this asap. It gives our Mastermind contestants a few extra weeks to revise!

### Rosewell Beavers

Congratulations to Rosewell Beavers who won the District Shield for the 2nd year running. They completed a series of difficult and creative challenges and won best team and winning Colony overall ! Those involved were: Abbi, Adam, Aimée, Amelia, Ciara , Conall, Daniel, Harper, Harry , Kai, Thorfinn and Thomas

The Winning Team was Team Turtles : Amelia, Thorfinn, Kai and Aimée . I am reliably informed that if they win the trophy two more times , they get to keep it . Half way there Rosewell Beavers – Good Job!
