

## Rosewell Primary School

Friday Feedback 9<sup>th</sup> March 2018

### Nursery News

What we have been learning this week:

1. We are continuing to focus on the story of "The Three Little Pigs" a firm favourite with us all, we have looked at this story through the book, song, drama and short cartoon.
2. Using the 3 pigs as stimuli we have looked at the materials used to build the houses and have also used snow to create our own igloo as well as making a small sugar cube igloo also.
3. We took part in a drumming session with George which was thoroughly enjoyable and we have been using these principles we have started to incorporate rhythm and rhyme
4. As we have been looking at different materials we noticed magnetism using the magnetic letters, so we have using magnets to explore the resources in the nursery.

### Congratulations

We had exciting news this week - Peter P3/4 and Mary P5/6 were individual prize winners in the Stoats Drawing Competition. Their designs will be put on the freezer vinyl at the factory for all to see. They also win a goody bag and a visit to the factory with their families. Thank you to Mrs Douglas who co-ordinated this activity.

Well done to our Young Person of the Year Ambassador, Neve in p7, who appeared on the front of Connect magazine. This is circulated around all Midlothian council departments. Neve met with council staff in January to discuss how the council can help YPOY celebrate the county's amazing young people.

On Thursday our P7s attended a STEM event at Edinburgh College with other schools in our ASG. They had a great day out and took part in a model car building competition. Andrew W, Cian and Millie were all part of the winning team as their supersonic car travelled the fastest.

### First Minister's Reading Challenge

Certificates go to:      10 texts - Abbi P2 and Robert P1 ,      25 texts – Eilidh P4  
   50 texts - Daniel P2      and      75 texts - Noah P5

### Concussion Protocol

You may have seen Mr Robinson on the news this week. He was helping to launch the new protocols for concussion that are being used by Sport Scotland. This very important guidance provides information on how to recognise concussion and how this should be managed. The key message being:

IF IN DOUBT, SIT THEM OUT.

Further info can be found on the Sport Scotland website. We will post a link on Twitter and our website. Although this information is for sports clubs , the guidance applies to anyone who may suspect that someone is concussed after an injury to the head or neck. All staff in school have been issued with a guidance card. We will also be looking at our accident policy to reflect this new guidance. Please take the time to have a look .

Dates below:

	<b>Week beginning 12<sup>th</sup> March 2018</b>
Monday	Football Talk to P7 pupils
