Smoking Outside the School

We have been noticing that there a number of cigarette butts being dropped outside the school on the pavement . Pupils in P3/4 have been making posters that we will display on the wall outside asking people not to smoke outside the school and not to drop cigarettes on the pavement. The following is taken from the Midlothian Council Policy on Smoking:

It is the Policy of the council to de-normalize smoking further and discourage young people from being influenced by what they may see as an 'adult' activity. Therefore, scenes of adult/parental smoking at entrances to schools, nurseries and within parks and playgrounds are to be discouraged.

I would appreciate your support with this and ask you not to smoke at the entrance to the school.

Congratulations

Congratulations to our basketball team (Neve, Phoebe, Gregor, Ross and Andrew M) who competed in a tournament this week with other Midlothian schools. The feedback from coaching staff was that, not only did they play very well, all of the pupils displayed a very high standard of sportsmanship. We are all very proud of the team.

A big well done to Harvey P1, Ruby P4, Lucy V P3 and Aisla P4 , whose artwork will be on display at Lasswade High School as part of their Art Showcase on Thursday 22 March. If you happen to be in the high school do look out for it.
