

Rosewell Primary School

Friday Feedback 4 May 2018

Nursery News

1. Our interest in Mini-beasts has continued, we have been looking at their patterns and parts of their bodies, how many legs, spots etc.
2. We started to look at where our mini-beasts live through the book 'Move on Frog' and exploring the garden looking at where we can find them.
3. We have organised our summer trip. This will take place on Wednesday the 27th of June and will be all day. There will be no sessions on Friday the 29th. Any parent/carer who wishes to help please let the School Office or Joanne know.
4. Some of the children made the connection that Bees make honey and that we eat honey so we baked our own flapjacks.
5. Using the cut willow from our tree we have planted a willow tunnel...we are hoping this will take and grow.

First Minister's Reading Challenge

There were no certificates awarded this week but we have had entries for the FMRC competition. We have also put forward a whole school entry too. Thank you to the P6 'film crew' who put this together. Fingers crossed

Raising Children with Confidence

First session 'Why do kids do that?' is on Wednesday at 6.30pm. Please come along to The Development Trust to look at brain development in children and the impact on emotional wellbeing. Everyone welcome.

Screen Time

Are you concerned that your child is having too much screen time? Why not download the 'screen time' app? You can track and limit the amount your child has on devices.

P7 Fundraising

Thank you to everyone who bought plants from the enterprising P7s. They are on their way to raising funds for their end of year events.

Health Tuck Shop /Treat Friday

Don't forget the healthy eating tuck shop will start on Tuesday of next week. On Friday the P7 class will be offering 'Friday treats'.

Termly Overviews

These are now on the school website for you to view in the Classes folder

School Improvements

The Hub and P5/6 classroom are now painted and looking so much better. The Pupil Parliament will meet next week to look at colour schemes for the dining hall which will be painted over the summer holidays.

Cycling to School

Can I please remind everyone that if you are cycling to school, protective headgear should be worn. Care should be taken when cycling on the roads. P6s have bikeability training later this term.

Girls' Soccer Sevens

Well done to the P6/7 who took part in the competition winning 6 out of their 10 games.
