

Midlothian Instrumental Music Service Selection Procedure for Instrumental Music Lessons

August 2017

Dear Parent / Carer,

Over the next 2 weeks Midlothian's Music Instructors will be testing **primary 6 pupils** for instrumental music lessons.

If you would like your child to take part in this selection procedure please return the form below to the school office as soon as possible. Lessons are dependant on instruments and space being available on the timetable. Where possible, an instrument will be provided but where this is not possible, parents will have the opportunity to purchase one through the Instrumental Music Service at discount prices, and without the VAT being payable. (Details of this scheme are available from the appropriate Music Instructor.)

For further information please contact:
The Head of Instrumental Teaching
Midlothian Council
Education and Children's Services
Fairfield House
8 Lothian Road
