Dear Parents/Carers

BOATS – Bring Our Adults to School – Thursday 30th November

Following on from last Thursday's very successful BOATS session we would like to invite you to our next session.

I do understand that many of you work and are unable to attend these sessions personally. However, we would encourage your child to invite somebody else along instead. It could be a relative, neighbour or any other significant adult. We would very much like as many of our children as possible to have an adult at the session.

I have taken on board some of the feedback we received at the last session and have decided, in order to give those of you who have more than one pupil in the school a little more time, to stagger the sessions.

Upper Atrium P5-7 - **1.45-2.15pm**
Middle Atrium P3-4 - **2.05-2.35pm**
Lower Atrium P1-2 - **2.25-2.55pm**

Teas and coffees will be available in the dinner hall for any parent who has a gap between sessions.

To tie in with Book Week, the focus of this session will be Reading. In each class there will be reading activities going on which you will be welcome to either observe or to participate in. Please can I request that parents do not ask teachers questions about their child at this session. If you have any queries regarding your child, please make a separate appointment to discuss these.

We look forward to welcoming you to our next BOATS session on Thursday 30th November.
Yours sincerely
