24th September 2018

Dear parent/carer

As from Monday 8th October we are going to introduce self registration for our children. We have purchased small pebbles and we have written your child's name on them along with a colour relating to their colour group.

When the children come into nursery at the beginning of the session **YOU** still sign them in on the coloured register and they take their stone from their coloured basket and put it carefully in the large basket under the table.

This gives the children a chance to take part in registering themselves into nursery and practice name recognition and colour.

Thanks
Nursery Team
