24th October 2017

Dear Parents/Carers

As intimated in previous correspondence, from Friday 27th October 2017 all Primary 1 pupils who wish may bring a toy to school for Golden Time.

Please monitor the toys that your child brings carefully. In particular we would discourage toys with lots of small parts, as bits can easily get lost in a busy classroom. We would also ask that electronic gaming devices are not brought to school.

Please make sure that your child's toy is brought to school in a bag that your child is able to carry into/out of school by him/herself.

Kind regards

Caroline Findlay
Depute Head Teacher
