Dear Parents/Carers

As previously mentioned, P1 are going to start bringing reading books home to share. New reading books will be given out on a Monday and taken in on a Friday. Reading these books at home will support the work that we do in class.

Books should be brought to school in the red bag everyday as the children will be engaging in reading related activities most days.

There is a reading record in the red bag which will have information about what we would like you to do at home.

If you have any questions or comments about reading, these can be put in the reading record.

We also send out key words to be practised alongside the books. The more confident the children are with the key words, the more fluent their reading will become.

The variety of books we send out support the development of a range of reading skills. Asking your child to retell stories using the picture and to answer basic questions about the story are just as important as practising the words on the page.

If you have any questions about reading, please don't hesitate to speak to your child's teacher.

Thank you

P1 Teachers.
