7th March 2018

Dear Parents and Carers,

We are happy to announce that the P3 classes will have a chance to visit the National Museum of Scotland on Monday 19th March 2018. The main objective of this educational visit is for students to consolidate what they've learned about ancient Egypt in this term through examination of historical objects from that period. They'll be challenged to reflect on the differences between ancient Egyptians' way of living and their own as well as discuss the influence of significant individuals like the pharaohs.

Children will have a chance to explore the ancient Egyptian trail in the museum, taking a close look at specific objects and answering reflective questions on a worksheet like young archaeologists. We sincerely hope that every student in both classes will be able to participate in this exciting learning experience.

The cost of this trip is £2.00 per child. This can be paid via Parentpay. If you agree to let your child/children go on this educational visit, please sign and return the parental agreement form attached by Thursday 15th March, 2018.

In addition, for each class, we'll need two parent helpers who are comfortable leading small groups of students. If you would like to be one, please indicate it on the said form. We'll contact you as soon as possible should we require your help. You will only be notified if you are required. Thank you in advance!

Yours faithfully,

Mr Yin-Cheng, Mrs Phibbs, and Mrs Stewart
