Dear Parents/Carers

Please find the order of introduction for phonics and sounds in Primary 1.

We engage in ongoing assessment of sound recognition and word building as pupils progress through the program and will build in consolidation weeks as necessary during which children will revise sounds taught previously to ensure they have a secure understanding.

We will still inform you (on the classroom doors) of the new sounds we have introduced and will also let you know if we are consolidating the sounds previously taught (and therefore not introducing further sounds that week).

P1 Teachers
