

BONNYRIGG HOME LEARNING GRID Week 10!

<p><u>End of Term Activity Book</u></p> <p>We always tend to do more fun things in the last week of term. Here is a massive book of fun activities with links to websites to have some fun!</p> <p>Find @ Files>Classmaterials>Week10Learning Grid</p>	<p><u>All About Me 1:</u></p> <p>Something to pass on to your P7 teachers so they can get to know you that little bit better. It is listed as an assignment so I can collect all the responses and hand them over to your new teachers!</p>	<p><u>Lockdown Memory Word Art:</u></p> <p>Something to look back on after Lockdown is all over. Create a piece of word art with this guide and show it off on the TEAMS page. Something for you to look back on when you are older.</p>
<p><u>Catscape</u></p> <p>Find the links from chapters 8 all the way to the end on the class novel page!</p> <p>Post up your thoughts and opinions on the story. Be careful not to spoil the story before Friday!</p>	<p><u>Art</u></p> <p>Artist Analysis Lesson 1. Research the Artist and the painting online and answer the questions!</p> <p>Find @ Files>Classmaterials>Week10Learning Grid</p>	<p><u>Awesome Bricks:</u></p> <p>Click on the link to access a challenge from the National Museum of Scotland to recreate any artifacts or exhibitions from the museum in brick form (if you don't have Lego or building blocks can you find another way?) You can do a virtual tour of the museum if you can't remember anything!</p> <p>explore-our-collections</p>
<p><u>Virtual Sports Day</u></p> <p>Compete in your own family or individual sports day using this link https://www.thinglink.com/card/1324816909186629634</p> <p>I will post this link on our PE Page to make sure you can access it!</p>	<p><u>All About ME pt. 2</u></p> <p>Another piece to pass on to your new class teachers. This is also classed as an assignment so I can hand it over!</p>	<p><u>Sumdog:</u></p> <p>Have a go at an Area, Volume, Angle and Symmetry challenge (whole class) and/or try an individual challenge for coins!</p>
<p><u>STEM Activities</u></p> <p>Published by FIFE college, a list of experiments to try out at home!</p> <p>Find @ Files>ClassMaterials>Week10LearningGrid</p>	<p><u>Catscape Book Review</u></p> <p>Use the template in the class materials week 10 folder to write your review of the Class Novel. If you haven't managed to finish it, why not write a review of something you have read through lockdown?</p>	<p><u>Imaginative Writing</u></p> <p>This will be issued as an assignment but this piece will not be marked. It will instead be passed on to your new class teachers to demonstrate your writing skills!</p>
