

# Exploring staff digital competencies

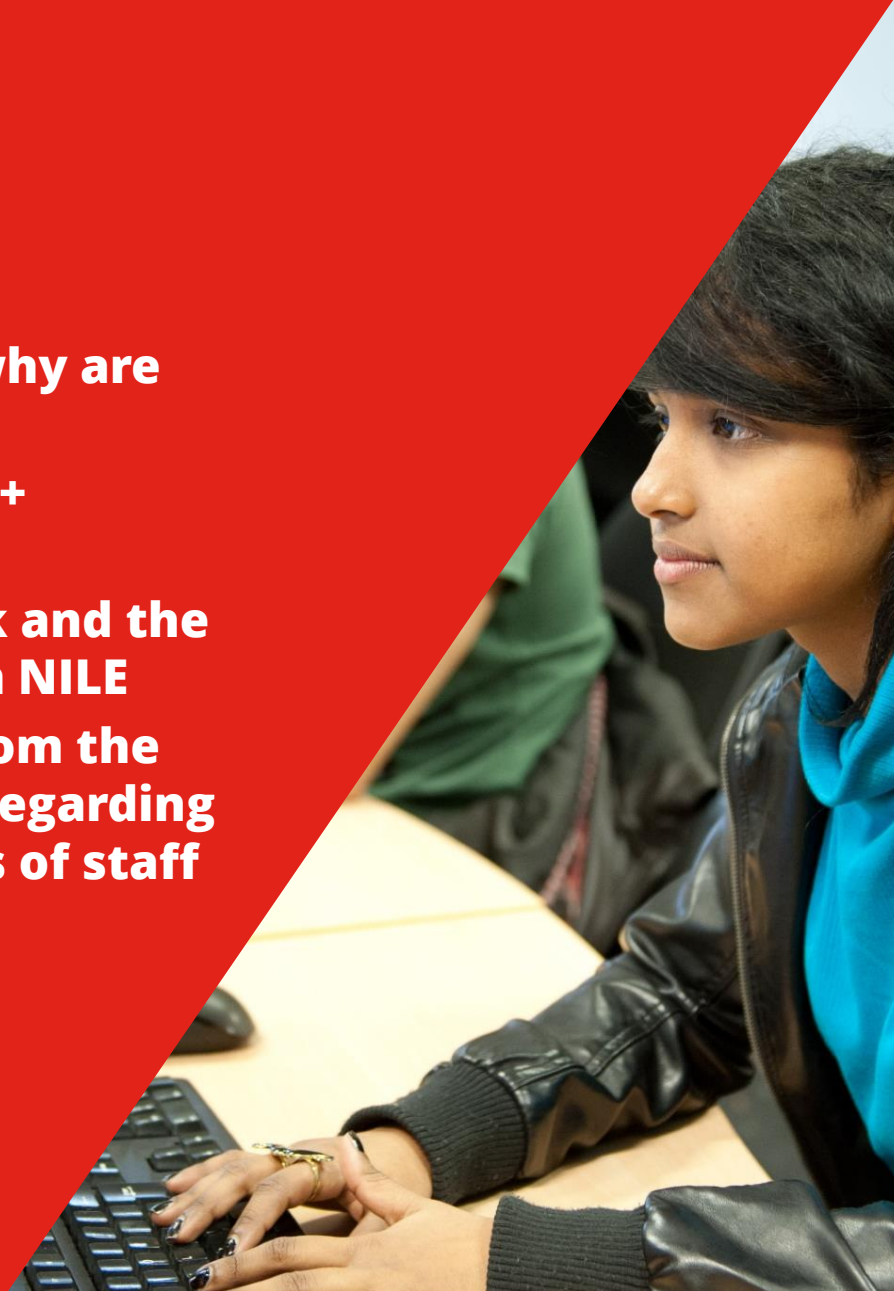

**Key findings about the digital skills and competencies of staff from the Learning Technology Survey 2018**

**Rob Howe and Jim Atkinson - 4th May, 2018**

# Contents

## What we'll cover during this session

1. **What are digital capabilities and why are they important?**
2. **Links with the Transforming Lives + Inspiring Change strategy**
3. **JISC Digital Capabilities framework and the Digital Capabilities training site on NILE**
4. **Results and interesting insights from the Learning Technology Survey 2018 regarding the digital skills and competencies of staff**

# 2 minute discussion

Talk with your immediate neighbours and agree on:

- What are digital capabilities?
- 3x reasons as to why they're important in this modern World

[Google Timer - 2 mins!](#)

# Digital capabilities - a definition

**“the capabilities which fit someone for living, learning and working in a digital society”**

~ JISC

# The importance of Digital capabilities

**“The world is being transformed by a series of profound technological changes dominated by digital, a second machine age. Digital technology is changing all our lives, work, society and politics. It brings with it huge opportunities for the UK, but also significant risks.”**

**House of Lords  
Select Committee on Digital Skills,  
[Make or Break: The UK's Digital Future](#)**
